### 1. Academic progress of children

In our latest 'OFSTED' inspection, the inspectors recognised that children at WDPS make **outstanding** progress in Maths and good and rapidly improving achievements in English.

### 2. International Primary Curriculum

The goal of the IPC is for children to focus on a combination of academic, personal and international learning. Most of all, we want our children to develop all of the skills they will need in order to confidently thrive in the world of tomorrow.

### 4. Excellent Wrap-Around Care

At WDPS we offer a high quality breakfast club, starting at 07.30am as well as an after school 'Twilight Club' until 5.15pm. The needs of all age groups are catered for and we provide stimulating activities and help children complete their homework.

#### Top Up Nursery Sessions

Additional Nursery sessions are available on top of the statutory 2.5 days from September 2016, making WDPS the best start for your child.

### 5. WDPS Bushcraft

Learn how to survive confidently outdoors.

### 3. WDPS Running and Mountain Bike Trail

Learn how to ride a bike, carry out basic mechanics, gain confidence and improve personal fitness.

WDPS has the first all-weather running and cycling track in Newcastle. We strive to give our children the best experiences and life chances.
